

CHAMBER ANNUAL AUCTION 2020

****NOTE TO ALL OUR VALUED DONERS THIS YEAR:**

It has been an exceedingly difficult year and things just do not look the same. The new "normal" has been challenging but "we have been all in this together" and making the best sense out of it. The chamber has continued to support our members and the community throughout these trying times. As you know, the chamber not only relies on membership dues, but we also rely on our events and sponsorships to maintain the chamber's budget. With the loss of (4) events including the Opening Day Poker Run, Jericho ATV Festival, WingZilla & RiverFire, the chamber has felt the effects of the pandemic as well.

In November, we annually hold our Penny Sale & Auction which is solely dependent on donations from our businesses and surrounding communities. All proceeds from the Annual Auction go directly into our operating budget. We know this has also been a difficult year for many so we are asking IF you can donate, please do.

The Androscoggin Valley Chamber of Commerce is gearing up for the 14th Annual Chamber Penny Sale/Silent Auction to be held **November 19th thru the 21st** at the Service Credit Union Heritage Park. **(We will be running the event with COVID restrictions – more information to be available soon.)** This annual auction represents a major part of our operating budget and allows us to continue to do the great things we do! We need your help to meet our goal!

Donors and items will be advertised in a local newspaper supplement and will be listed on the Auction Program, providing excellent advertisement and public relations to you! To assure your listing in the Chamber Auction insert, your donation **MUST** be listed with us by Friday, October 30th. Anything received after this date may not be included in the ad.

Any item with a retail value of \$200.00 or more will receive **SPOTLIGHT** recognition, and any item worth \$1,000 or more will receive **BIG-TICKET** recognition.

Please complete and return the form below by Friday, October 30th, indicating what you will be donating to this year's Androscoggin Valley Chamber of Commerce Auction. Forms can be dropped off, mailed, or faxed. Items can be dropped off at our office located at 961 Main Street, Berlin (Brown Company House) between the hours of 8:30am to 4:00pm, or you can request a pick-up.
