

PRESS RELEASE
19 March 2021

The Jericho ATV Festival committee has reviewed all COVID - 19 guidelines of hosting an event based on the those presently in place, projected to be in place at the time of the Festival, and the volunteer committee's ability to facilitate these guidelines and regulations. Due to the general uncertainty surrounding potential regulations, guidelines, logistical challenges in enforcement, and the time and effort needed to ensure a positive festival, the Jericho ATV Festival Committee, in consultation with various stakeholders, has made the decision to cancel the 2021 Jericho ATV Festival.

While we had hoped to be able to host a festival this year, we are looking forward to a more normal year in 2022 and the return of the Jericho ATV Festival! We thank you in advance for your understanding, and we look forward to seeing you again soon! We will provide a date for the 2022 festival soon!
