What is the Journey to Jericho ATV Jamboree?

Jericho ATV Jamboree has already become a North Country tradition and a must-do event for OHRV enthusiasts! If you love off-road riding, this festival is for you!

Test your skills in the popular Jericho Mud Races, tackle the obstacle course, take a demo ride on the latest ATV and side by sides or join the crowd in cheering in the mud races! If that's not enough then maybe the 100 miles of trails featuring some of the best riding New England has to offer may interest you.

Our trails offer a one of kind experience between the extensive trail network, breathtaking views, and the terrain to satisfy all types of riders. There will also be Manufacturer displays along with the demo rides, sales, on after-market parts, riding gear, plus vendors and delicious food!

I work for Fuel Off-Road. This is my 3rd year doing this event as a sponsor. Such a great event! Looking forward to this event all year and can't wait for next year. Great job to the staff that put this event together A++++.
